DREAM CUBE

“LUXURY BATHING,  
REDEFINED IN A CUBE”

“CREATE YOUR OWN **PRIVATE RESORT**”

CUBE CASA AT NIGHT

CUBE CASA TRANSFORMS ANY LOCATION INTO A LUXURIOUS RETREAT

AT CUBE CASA, MODULAR LIVING MEANS FLEXIBILITY WITHOUT LIMITS

Key Features:

- Modular design for easy connection and installation
- Covered terrace with optional sun breaker or pergola system
- Fully equipped modular kitchen and elegant dining space
- Same external dimensions for perfect symmetry
- Expandable with additional decking, lounge areas, or even a jacuzzi pool
- Designed for all terrains with the TriTerraLok Modular Foundation System

“EXPAND YOUR SPACE, ELEVATE YOUR LIFESTYLE”

Turn your Cube Casa into a private resort — right in your garden, by the beach, or deep in nature.

A modern outdoor resort sanctuary at night. The scene is illuminated by warm, golden light from two large, square sun breakers with intricate, glowing white structural patterns. In the foreground, a white hot tub with blue jets is set on a dark wooden deck. To the left and right of the hot tub are lounge chairs with small, round side tables. In the background, a modern building with large glass windows and doors is visible, with a central entrance area featuring a small table and chairs. The building's walls are lit from within, and the surrounding landscape is decorated with various plants and small, vertical light fixtures. The sky is dark with some clouds.

## CUBE CASA AT NIGHT
